2025 BALANCE DATE QUESTIONNAIRE
--

We enclose your 2025 Balance Date Questionnaire. The information from the questionnaire will provide the basis for our preparation of your 2025 Financial Statements and tax returns. Please **complete and sign** the questionnaire and return it to us **with** all of the relevant information.

Some of the information requested in the questionnaire may already be held in our office. Clients with computerised cashbooks are requested to provide their relevant printouts or access to their accounting system. In all instances the questionnaire should be completed for all items of information.

Clients of tax practitioners are allowed an extension of time for filing their tax returns, but continuation of this extension is dependent on the tax practitioners being able to file certain percentages of their total client's returns by particular dates. Over recent years the Inland Revenue Department has been monitoring return-filing performance very closely. We would therefore appreciate your assistance in providing your tax return information to us promptly. Receipt of your information early also allows us to provide full advice on your Provisional Tax obligations.

The penalty regime introduced by the Inland Revenue Department places greater emphasis on self-assessment with the result that omissions and errors are considered harshly. We therefore recommend your care in completing this questionnaire to avoid any later problems.

If you have any questions regarding questionnaire details, please contact us.

Yours faithfully
LARSEN, PATTERSON & WILLSON LIMITED
